PLEASE NOTE ...BOOKINGS FOR STABLING ARE TO BE MADE VIA NOMINATE. Enter early and choose where and with whom you would like to be stabled with.**

DAY PARKING FEE - There is a day parking fee for those competitors working out of their floats at a cost of \$10.00 per day per horse (GST Inclusive). Day parking will be in the North Truck area. Unless you intend to leave your horse/s at the showground overnight, please elect to day park rather than request a stable. This will ensure those travelling distances will have adequate stabling available.

CAMPING - There are 2 types of accommodation available at Horsley Park:- **Powered Camp Sites** (for tents, caravans, floats or trucks – supplied by the exhibitor) at \$30.00 per night or the **Demountable Cabins** at \$50.00 per night (prices include GST). Bookings must be made.

COMPETITORS PLEASE NOTE - All horses **MUST** have registrations finalised with correct registration numbers available at the closing date of entries. All horses entered without registration numbers **MUST** provide these registration numbers prior to the printing of the catalogue. Failure to comply will make the horse ineligible to compete. Pending registrations will **NOT** be accepted at the time of cataloguing.

TIMETABLE OF EVENTS - The Timetable will be available approximately 2 weeks prior to the commencement of the show. Exhibitors can view the timetable of events approximately 2 weeks before the show, on our Facebook page and our website. The starting times in the timetable are final and will only be changed if a ring is running late. No class will start ahead of the advised time. EVERY EFFORT WILL BE MADE TO RUN THE CLASSES AS ADVISED IN SCHEDULE. IN THE EVENT OF ENTRIES EXCEEDING PREVIOUS YEAR'S NUMBERS, SOME EVENTS MAY NEED TO BE MOVED TO ANOTHER RING/DAY TO ACCOMMODATE NUMBER OF ENTRIES. YOU WILL BE NOTIFIED IF THIS IS THE CASE. **SHOW OFFICE** - This office will be open during the following times:

Thursday: 3pm to 6pm

Friday, Saturday: 630am-Midday, 1.00pm to 5pm

Sunday 6:30am to midday

EXHIBIT NUMBERS - A charge of \$3.00 per exhibit number (plus GST) must be paid with entry fees. Numbers to be collected from the show office during the hours listed above. EXHIBITORS NOT WEARING THE CORRECT EXHIBIT NUMBER AS PER THE CATALOGUE WILL NOT BE JUDGED.

COMMITTEE ACCEPTS NO RESPONSIBILITY - It is the policy of the Committee to see that all due care is taken to protect property but the Committee shall not be liable to any person in case of loss or damage by reason of any defect, accident, negligence or neglect, however arising.

MEASURING - Exhibitors entered in height classes for which height is limited MUST produce a current height certificate or MUST be measured by the official Hack Council measurer, (at a cost to be advised), prior to competing. A copy of the horse's registration papers MUST be produced before the horse is issued with a certificate and horses must be wearing a bit whilst being measured. Exhibits with a lifetime height certificate or current EA or Showhorse Council height certificate should email this height certificate to our secretary and they will have their exhibit number stamped prior to the collection of exhibitor bags at the show, and will therefore avoid having to present their exhibit to the measurer at the show. The marshalling stewards in all classes for which height restrictions apply will inspect this stamp. Exhibitors transferred to another height class will require a TRANSFER AUTHORITY FORM obtained from the show office or measurer. The completed TAF is to be handed to the ring Marshall immediately prior to the commencement of judging of the class to which the entry has been transferred. An allowance of 1cm is made for shoes. Hours for measuring will be advised prior to the show.

DIVIDING OF CLASSES - Should entries warrant, classes may be divided according to height, gender or date of birth, at the committee's discretion. At the closing date of entries should numbers in classes be insufficient, classes may be combined at the committee's discretion. In the case of a Performance Class NO more than 12 horses will be on the circle at any one time.

EXHIBITORS PLEASE NOTE - No exhibitors will be permitted to enter the ring once the Marshall has closed the ring, (handed the ring card over to the steward), however, horses which are marked as presented but delayed in another class may be allowed in to the ring at the discretion of the Ring Steward. Every effort will be made to avoid timetable clashes but the Committee accepts no responsibility. Efforts will be made to timetable events on the day given but not necessarily in the order shown in the schedule; this will depend on the number of entries per class.

JUNIOR JUDGING - Entrants should enter the class number and their names and date of birth in the Rider section of the entry form. It is not compulsory to be a member or to have horses entered in the show. Each competitor will be asked to participate in the judging of one led class. A judging card system will be used with competitors required to place their first four choices and give reasons for each selection.

CODE OF BEHAVIOUR CARD SYSTEM - A card system will be used at this year's show to deter types of behaviour (Reportable Conduct) wherever occurring on the grounds and at any times during the show including events. "Reportable Conduct" includes types of behaviour which are cruel or abusive to horses; including but not limited to inappropriate use of whips, handlers/riders witnessed striking a horse with a whip or other implement whether or not it leaves a mark, chasing horses with plastic or rattles outside the ring, intimidating horses by threatening them with a whip or body language that causes them to run backwards, crouch, buckle at the knees, and roll their eyes in fear, etc., yanking, chain abuse and mistreatment of horses, and also other behaviour by competitors and handlers and including but not limited to physical or verbal abuse of any Official, refusal to comply with the direction of any Official and any behaviour which may bring the show or good horsemanship into disrepute. Show Officials, Committee and Judges will be empowered to show either a Yellow Card or a Red Card to any

person on the grounds for any act of Reportable Conduct observed by them or upon evidence given to them. The decision as to whether any act is Reportable Conduct shall be in the absolute discretion of the Official showing the card. A Yellow Card is a first and only warning. Any person who infringes after having already received a Yellow Card at any time during the show shall be shown a Red Card whereupon they shall immediately be disqualified from the show and for all events for which they may have entered and shall forthwith be ejected from the grounds. The penalties applicable for the showing of a Red Card shall be in addition to any action the NSW AHA Inc. may take subsequently in respect of Reportable Conduct. Any Official who shows either a Yellow Card or a Red Card shall, as soon as is practicable thereafter, report the issue of such Card to the Committee giving particulars of the Reportable Conduct and the person to whom the Card was shown.

Where the horse is concerned, Cardable Offences will be specifically but not limited to:

- (1) Any horse who mouths to his handler like a foal does to an older horse; that handler shall have a Red Card and instant dismissal. This is not a normal horse reaction to a human and clearly denotes abuse.
- (2) Any handler who strikes a horse, especially on the front legs, unless the horse has clearly misbehaved and at the discretion of the Disciplinary Committee, shall have a Yellow Card.
- (3) If a horse buckles over or retracts their legs in fear, the handler will get a Yellow Card.
- (4) Any handler who delivers a full strength shank or excessively shanks a horse who is already standing still and has been standing still for the last few moments shall receive a Yellow Card. This is to be differentiated from reprimanding a horse who has just clearly misbehaved, i.e. won't stand still at all, is striking out etc.
- (5) If a horse makes a half rear at his handler with ears back and front legs extended forwards towards his handler, that handler will receive a Yellow Card. No horse does this without provocation. It is clearly differentiated from a vertical rear where the horse has his knees tucked, his ears forward and is just standing up in natural exuberance.
- (6) If a horse takes more than three (3) steps back from his handler at speed when the handler attempts to "pose" the horse, that handler will receive a Yellow Card. The Judge and Stewards and Official's discretion and decision will be final.

Any competitor whose conduct is considered to be ill mannered, aggressive or unsportsmanlike will be issued a warning and may be asked to leave the ring. Further displays of this behaviour (including breaches of the AHSA Social Media policy) will result in a cancellation of membership and a ban on competing at New South Wales Arabian Horse Association events for up to 5 years.

SHAKERS - The only shaker permitted to be used is by the designated committee member, who will be the official shaker. This shaker will only be in use during the Saturday afternoon purebred halter feature.

USE OF BUGGIES AT SIEC - Anyone driving golf carts or buggies during the show at SIEC, must sign a waiver with SIEC Management staff and be issued a wristband **BEFORE** they can drive such vehicles. All drivers must be licensed drivers and adhere to public road rules where applicable. No golf cart and/or buggy can be driven after dusk without headlights. No intoxicated persons can drive golf carts and/or buggies. As the roads through SIEC are public roads, the Police will be randomly patrolling these roads during our event

DRESSAGE - Horses or ponies may not be ridden by more than one rider. Levels of tests must be consecutive. Horses with 60% or more grading points cannot compete at a lower level. Conducted under EA rules with EA tests. Sashes to 6th place. Champion and Reserve will be awarded for the highest point score in the same level i.e. Preliminary & Novice. All Championships will go towards the Dressage Triple Crown.

BODY GREASE – Any horse/s that appears to have any form of body grease substance applied to their coat, face makeup excluded, will be prohibited from exhibiting in any classes at this Show.

PRESIDENTS CUP AWARD – Special Sash donated by NSW AHA President, Mr. Greg Liddle and Mr Michael Marrapodi to be awarded to the Purebred that is the crowd favorite.

TRIPLE CROWN – Please note to be eligible for Triple Crown you must be a current financial member of NSW AHA and have won the same championship class or dressage test at Arabian State Titles, National Arabian Stud Horse Show and East Coast Arabian Championships in the same show season. A minimum of 3 horses entered and catalogued per championship section is required, to be considered for a triple crown.

Only Breed Halter, ridden classes and Dressage (not preparatory level) are eligible.

DRESSAGE TRIPLE CROWN AWARDS:

In order to be in contention for a dressage Triple Crown award, you will need to be placed first in the same dressage level test at both State titles and the National Arabian stud horse show and also win champion (i.e. 1st) at East Coast Arabian Championships.

Please note that PREPARATORY level dressage tests are NOT included in Triple Crown awards. Once you have won a dressage Triple Crown at a certain level, then you will need to go up a level to be eligible for another dressage Triple Crown. For example, if you win dressage Triple Crown at preliminary level, then you will need to go up to novice level to win another dressage Triple Crown. Horses MUST have the same rider for ALL their tests to be eligible for a Triple Crown.

HENDRA:

NSW AHA acknowledges the policy by Equestrian NSW to manage the Hendra virus in the state of New South Wales. Therefore it will not be compulsory to vaccinate horses against the Hendra Virus for the NSW National Arabian Stud Horse Show.

All competitors and horse owners have a responsibility to practice good biosecurity, good hygiene and decontamination of their equipment to minimise the risk of spreading infectious diseases. In line with the new vaccination policy for New South Wales and

acknowledging the control of the Hendra Virus rests with everyone the committee of National Arabian Stud Horse advocate all competitors and horse owners to vaccinate all their horses, competition or otherwise, especially when living in a high risk bat habitat area

DOGS – PLEASE LEAVE YOUR DOGS AT HOME. Any persons bringing dogs onto the grounds will be asked to remove them.

THE ASA AWARD CHALLENGE

These awards will be presented at the 2019 East Coast Arabian Championships. The Saddle ASA award will be presented on the Saddle finals on Friday night, and the Halter ASA Award will be presented on Halter finals on Saturday night at the 2019 East Coast Arabian Championships. Each winner will receive an Artwork kindly donated by Anna Shaw Art, and a Special Sash and Rug kindly donated by Mr. Greg Liddle.

Eligibility for these awards:

*Open to all registered Purebred Arabians and Derivatives that are exhibited by their non-pro registered owners/lessees in the specific ASA challenge class. Horses are immediately ineligible for this award if they are exhibited by a professional, either in hand or under saddle at any NSW AHA Event.

*Horses must be shown by the non-pro owner/lessee whose name appears on the registration papers to be eligible. Where horses are registered in a family name, any family member may exhibit them. Horses cannot be in professional training for 3 months prior to each eligible NSW AHA event; however Horses and non-pro owners/lessees may attend clinics and lessons though.

*Points will only be accrued from the ASA Award classes at the 2018 East Coast Arabian Championships, 2018 Frost Festival, 2018 State Titles and 2018 National Stud horse show run by the NSW AHA.

Awards will run to 5th place for each led and ridden section.

*Non-pro exhibitors/owners will be required to sign the regular non-pro statutory declaration plus also sign an extra statutory declaration regarding the horse and its exposure to professional training three months prior to the show's commencement date.

NON-PROFESSIONAL CLASSES

The Non-Pro Rule officially came into effect from 1/1/2015. It replaced the Amateur Owner Rule.

15.1 **The Non-Pro Rule** applies to persons of any age.

15.2 Any competitor who receives financial remuneration (money) for showing another person's horse within three (3) years prior to the event would not be eligible for Non-Pro status, they can therefore not compete in specified Non-Pro classes.

15.3 **A Non-Pro** is a person who, regardless of his/her equestrian skills and/or accomplishments, in the last three (3) years has not accepted financial remuneration (money) for services usually provided by a professional in the areas of breaking, riding, training, schooling, driving, halter preparation, showing in halter or under saddle.

15.4 Any person wishing to compete in Non-Pro classes shall be required to complete a Non-Pro Declaration form at each event they attend to declare their Non-Pro status. These forms are available from the A.H.S.A. website and office. The completed form is to be submitted to the show secretary for the event.

15.6 The Non-Pro is not required to own the horse they show, but is required to pay the Day Participant fee for insurance cover. The registered owner of the horse competing must be a current financial member of A.H.S.A.

15.4 **A Professional** is a person who, in the past three years:

- a. Has accepted financial remuneration (money) for breaking, riding, training (halter And/or saddle horses), schooling, driving, halter preparation, showing in halter or under saddle. B Has conducted clinics or seminars or given instruction in showing, training or riding for which remuneration has been received.
- c. Has performed the above list of activities for which another person in his/her family or corporation, which a member of his/her family controls, will receive financial remuneration.
- d. Has performed such activities while accepting financial remuneration for employment in another capacity for an employer or member of the said employer's family who owns, boards or trains the involved horse.
- e. Has ridden, driven, or exhibited in halter in horse shows any horse he/she or a member of his/her family accepts financial remuneration for boarding or training.

15.5 **The following activities shall not affect the non-pro status of a person who is otherwise qualified:**

- a. The writing of books pertaining to horses
- b. Accepting financial remuneration for judging or stewarding
- c. Speaking at workshops, clinics, seminars or youth training days in a voluntary capacity where they do not accept a fee for their services
- d. Receiving prize money
- e. Holding the occupation of farrier, veterinarian, racing trainer or trotting trainer
- f. Owning or operating a saddlery, stud or breeding farm or boarding stables
- g. Having the occupation of school teacher, teaching equine studies in a classroom where the curriculum is set from a text book

15.6 Explanations a .Basically the rule means that anyone who is employed (paid) by a person or training establishment to do duties other than riding, breaking, training of halter or saddle horses, schooling, driving, or showing horses is eligible for Non-Pro status. Plaiting horses is not considered a professional activity that would affect Non-Pro status.

- b. Spouses and immediate family of a trainer are also able to be classed as Non-Pro, as long as they are not involved with the breaking, training, schooling, riding or showing of any of the horses the trainer is being paid to work.
- c. People who board horses are eligible for Non-Pro status as long as they do not ride, show, train or do any of the tasks in 15.4 of the rule, for the boarders. If they did they would be involved in receiving financial remuneration (money) indirectly for those tasks upon payment of boarding fees.

15.7 **COACHING OR VERBAL INSTRUCTIONS:** No coaching, verbal instructions or signals are to be given from the sideline or in the Marshalling area whilst awaiting the class.

It is the Steward's responsibility to warn any offending parties that their behavior is unacceptable.
